

# CAPABILITIES STATEMENT

## Mission

**Deliver top-tier security solutions rooted in integrity, discipline, and the unmatched expertise of those who have served. By championing continuous training, mentorship, and innovation, we provide our clients with unparalleled protection while giving veterans and oath-keepers the opportunity to refine, extend, and honor their skill sets.**

## Vision

**Be the premier bridge for veterans transitioning from high-stakes environments into elite, purpose-driven security roles, cultivating their specialized skills while empowering them to excel in civilian life and beyond.**

## Core Competencies

- 1. High-Threat Security Operations**
  - Elite protective details in high-risk domestic and international environments.
  - Experienced operators specializing in crisis management, site security, and rapid response.
- 2. Executive Protection & Secure Transport**
  - VIP/Corporate Executive Protection, threat intelligence, and **secure transportation**.
  - Defensive driving protocols, route analysis, and 24/7 rapid deployment.
- 3. Bounty Hunting & Fugitive Recovery**
  - State-compliant bail enforcement with advanced surveillance, skip-tracing, and tactical entry.
  - Ensures legal and ethical standards, leveraging veteran-led expertise in direct-action missions.
- 4. Cybersecurity & Intelligence Support**
  - Physical/digital security assessments, threat intelligence, penetration testing, and consulting.
  - Seamlessly integrates intelligence, technology, and field operations.
- 5. Advanced Training Academy**

- Specialized instruction in **firearms, CQB, tactical medicine (TCCC), executive protection**, and more.
- Contractor and former Special Forces cadres provide real-world lessons, mentorship, and continuous skill-building.

## Differentiators

- **Service-Disabled Veteran-Owned Small Business (SDVOSB)**
  - Leadership team composed of **combat-experienced veterans**, ensuring mission-first culture, discipline, and reliability.
  - Aligns with federal contracting preferences, offering government agencies and prime contractors a partner with diverse and specialized capabilities.
- **Elite Cadre Development**
  - Ongoing recruitment and training from former Tier-2 special operators.
  - Quality roster of high-caliber professionals who continuously refine methods and standards.
- **Holistic Security Solutions**
  - **Physical protection + Cyber/Intelligence** integration for comprehensive risk management.
  - Flexibility to manage both domestic and OCONUS (outside continental US) assignments.
- **Training-First Culture**
  - Internal academy ensures every operator exceeds regulatory requirements, stays updated on best practices, and maintains readiness.
